

INTERNSHIP SYLLABUS

you about your papers at any time during the semester.

4. **Wednesday April 27** - A 20-25 page paper that places some of the internship experience in a broader perspective is due. The paper should involve some library research and should **NOT** be a description of the internship. Rather, the internship experience should suggest a topic to explore. **It is essential that your paper be related to your internship in some very direct fashion.**

Sen

interned for DAs involved with town courts. DUIs are common in these courts. Students have described how the local courts handle DUI cases, comparing our local practices to
