

Professor Richard
or [roches er ed](#)

Bureau of Public
Finance

Course provides overview of the economic
policy process and its role in the American political system. The course
will cover the core components of the federal government's
economic policy and research results of which here are required

and the design of the program on 5 percent and research paper
or proposal 5 percent

I. Introduction

II. Why Delegate to Bureaucrats/Civil Servants

Martin E. Anderson, "The Political and the Budgetary
Government," *American Economic Review*

Prendergast, "The Moral Hazard and the Budget of Bureaucrats," *American
Economic Review*

Michael McFadden, "The Geography and the Policy Choices Evidence from
the Government," *American Economic Journal: Economic Policy*

Forsythe and Gordon, "Delegation and Accountability," *Journal of
Politics*
