class. Laptops or tablets are allowed solely for access assigned readings or notes. In general, you should disconnect from the internet. In fact, be retro (!), *if you have readings or notes you will need in class, you are better off getting them off of your devices and onto paper*. If I detect you engaged in social media during class I will ask you to shut off your device and put it away. If this happens a second (or subsequent) time I will ask you to leave class. This will obviously impact your ability to participate in discussions and thereby your final grade.

Statement on Academic Honesty: I operate on the assumption that every student in the course is familiar with and abides by the College policies on Academic Honesty. If you are not familiar with those policies, please go to the Board on Academic Honesty web page and familiarize yourself. You can find that page here: <http://www.rochester.edu/College/honesty/>. Ignorance of the policy is no excuse.
