

PSCI 107

Introduction to Positive Political Theory

## How should I plan my time and effort to succeed in this course?

If you're already enrolled in the course, go to the course site on Blackboard. Watch the videos called "how to get started" on the course homepage.

If you're not enrolled in the course and you want to watch that videos to learn more about the course, just email the instructor at [stuart.jordan@rochester.edu](mailto:stuart.jordan@rochester.edu) and ask!

## How does grading work?

Students in the course are graded on homework assignments called "checks of understanding" (COUs) and on in-class exams.
